# IMPACT

# 100%

of our Year Three students have met or exceeded NMS in NAPLAN, a massive improvement from only a few terms ago.

Education Changemaker - Canberra

Our students have an average increase on their  
Numeracy scores on the PAT tests of

**23%.**

Education Changemaker - Port Augusta

A GROUP OF our students had 9%  
attendance at the start of the year. This term  
their attendance rate is

**77%.**

Professional development is now  
happening at every staff meeting.

Education Changemaker - Melbourne

‘The program has completely changed me as a teacher and leader! I feel so empowered, motivated and inspired to not only make change but sensibly look at where change needs to happen, why and how. EVERY teacher should participate.’

Education Changemaker – Quorn Area School
